

Snow Removal-Request For Proposal

Snow Removal/Clearing and Salting

Site

3269 Jingle Pot Road, Nanaimo BC

Intent

This request for proposal is intended to obtain Snow Removal/Clearing and Salting services for the site located at 3269 Jingle Pot Road in order that fire fighting equipment can respond to emergency situations on a 24/7 basis.

Request for Proposal

Mountain Fire Protection District invites proposals on Snow Removal/Clearing and Salting at location of 3269 Jingle Pot Road. Vendors must submit a Proposal for the site and one contract will be awarded for Snow Removal/Clearing and Salting services for the winter of 2018/2019. Vendors are invited to view the areas to be cleared around the firehall.

Description and Scope of Work

The Contractor shall be responsible for removing snow from around the firehall any time the snowfall accumulates to greater than 5 centimeters/two inches. Any such snow falls overnight to be removed by 7am the following day and during the day any accumulation great than 5 centimeters/two inches to be removed as required. Salt will be applied in cases of ice accumulation around the firehall.
